Dear Miley Cyrus,

My name is Casey, and I'm 16 years old. I live in Staten Island, New York, and I am a huge fan of yours.

I have been a huge fan of yours ever since you starred in *Hannah Montana* and still love watching reruns of that show. That's how I first found out about you, since I was always such a big Disney Channel fan.

Furthermore, your music has inspired me. It makes me laugh, cry, and it always encourages me to be the best version of myself. I love how your songs range from super fun party beats like "See You Again" to inspirational tunes like "The Climb." The versatility of your music is truly amazing.

I really felt like I connected with you when you starred in the movie *The Last Song*. That film was so touching and shared such an emotional story. I gained a great deal of respect for you as an actress because of how you portrayed Ronnie. It was such an emotional role and heartfelt role, and you performed with extreme elegance and grace. It really allowed me to feel the character's emotions and dive deep into the film

I also love your new haircut and am very inspired by how confident you are when it comes to changing your image. You never seem to care what anyone else thinks of you, and that is such an admirable quality.

Since I'm such a huge fan, I would love if you could send me an autographed picture of you for me to hang in my room and adore every day. I would appreciate it more than words, although I'd understand if you didn't respond, since you undoubtedly must have a hectic schedule. However, if you would like to send one, I've included a self-addressed stamped envelope.

Thank you so much for taking the time to read my letter, and best of luck to you in the future! I know great things lie ahead for you.

Sincerely yours,

Casey Jones
